Dear Katherine,

On behalf of the Alzheimer Society of Manitoba and the Minds in Motion® program I want to thank you for the valuable support that you have extended to our St. James Civic Centre Minds in Motion® location with the continuation of services provided by Shan Zacharias to our volunteer team.

Shan brings experience, maturity and compassion to our participants and continues to support the integrity of the program and our principles. Program participants and volunteers have benefited from having Shan as a resource when questions around home support and community resources arise.

This year the Alzheimer Society of Manitoba would like to publically recognize Comforts of Home-Care Inc. at our 2017 Care4u conference which will be held on Saturday October 28, 2017. Comforts of Home-Care Inc. will be recognized with a certificate of appreciation during the lunch hour period along with The Waverley/Rosewood and Home Instead Senior Care.

I will reconnect with you in September to confirm your attendance for the October 28<sup>th</sup> presentation and to confirm Comforts of Home-Care Inc.'s support to the Minds in Motion® fall session.

Thank you again for all that you do!

Sincerely,

Maria Mathews  
Minds in Motion® Program Manager
